A Message To Parents

Welcome to South Page Community Schools. We have an excellent school district and are proud of our students. It is our mission to provide the best educational opportunities possible to all students. This goal can be attained with the highest level of communication, cooperation and involvement between the parents and educators of this district. The elementary staff wish to make the school year an enjoyable and productive year for all students. We strive to keep and maintain an orderly learning environment and create safe, happy, motivated, and successful students.

Research shows that parent involvement is high on the list of factors contributing to a student's success in school. We encourage you to call your child's teacher or the principal any time you have questions and/or concerns. Our goal is to work together with you to provide the best educational program possible for your children. We sincerely strive for each child to have a safe, happy and successful school experience.

Appropriate Dress

Students are expected to wear clothing that is appropriate to their age level and that does not disrupt the school or educational environment. Students are prohibited from wearing clothing advertising or promoting items illegal for use by minors including, but not limited to: alcohol or tobacco; clothing displaying obscenity, profanity, vulgarity, racial or sexual remarks; making reference to prohibited conduct; or similar displays.

- Shoes shall be worn at all times. This is an OSHA requirement
- Hats and sweatshirt hoods will not be worn in the building.
- Shorts will be of appropriate length.
- No midriff shirts or tops revealing undergarments.
- Offensive or obscene lettering and/or pictures will not be permitted.
- The advertising of alcohol, drugs, or tobacco on clothing will not be permitted.

Students who violate these rules will not be permitted into class until appropriate changes have been made.

Please have students prepared for physical education class by having them wear tennis shoes on scheduled PE days or have a change of shoes for PE days.

The principal reserves the right to censor any clothing which may be deemed offensive in nature. Students who violate these rules will not be permitted into class until appropriate changes have been made.

Arriving at School: Breakfast, Attendance

Supervision at the PK-6 Building begins at 7:25 a.m. All Students will go to the cafeteria from 7:25-7:55 a.m. Students will be sent to classrooms at 7:55 a.m. The start of school bell rings at 8:00 a.m. Please arrive on time.

Attendance

Regular school attendance is essential for each student to make the most of his or her education, to benefit from teacher-led activities, to build each day's learning on that of the previous day, and to grow as an individual. **Refer to the district policy portion of this handbook for specific details on attendance.**

Student Absences

When students are not going to be in school, parents must notify the school's office before 8:30 a.m. (712-582-3212). The school administrative assistants will call if notification is not received.

Truancy

In Iowa, truancy is defined as "any child over seven and under sixteen years of age, in proper physical and mental condition to attend school, who fails to attend school regularly, without a reasonable excuse for their absence, shall be deemed a truant." Parents who fail to ensure their child is in school may have charges filed against them under the "child in need of assistance" provision of the state.

Compulsory Attendance

Parents within the school district who have children over age six and under age sixteen by September 15, in proper physical and mental condition to attend school, shall have the children attend the school district at the attendance center designated by the board. Students shall attend school the number of days that school is in session in accordance with the school

calendar. Students of compulsory attendance age shall attend school a minimum of 175 days. Students not attending the minimum days must be exempted by this policy as listed below or, for students in grades 7-12, referred to the county attorney or, for students in grades K-6, referred to the Attendance Cooperation process. Exceptions to this policy include children who:

- have completed the requirements for graduation in an accredited school or have obtained a high school equivalency diploma;
- are attending religious services or receiving religious instruction;
- are attending an approved or provisionally approved private college preparatory school;
- are attending an accredited nonpublic school; or,
- are receiving competent private instruction.

It is the responsibility of the parent of a child to provide healthcare evidence of the child's mental and physical inability to attend school or of the child's qualifications for one of the exceptions listed above. ***A student who is too sick to attend school is not eligible to attend school activities.***

Birthday Treats & Parties

Food allergies are becoming a bigger part of our school lives. **Our school policy is any snacks brought into the school for parties or treats have to be store purchased (or made by a professional baker), pre-packaged and labeled with the ingredients.** This will allow the teacher and school staff to know exactly what the ingredients are and be able to make sure that a student who cannot have that particular snack gets an alternative snack. As a school district we want to encourage our students to lead a healthy lifestyle. If you have any questions on bringing snacks or treats, please contact your child's teacher or administrative assistant.

Party Invitations

Party invitations may be handed out at school, providing invitations go to the entire class, all the boys or all the girls. If only a select few are invited, invitations may not be passed out at school.

Change of Address and/or Telephone Number

When a parent needs to be contacted in an emergency, pupil records are helpful only if they contain **up-to-date information**. Parents are expected to keep the school offices informed of changes in address, telephone number, and of the persons who you are expecting the school to contact if a parent can't be located.

Communicable Disease

A communicable disease is any disease spread from person to person. South Page Community School District collaborates with Page County Public Health and local healthcare providers to provide guidelines which define when a student is well enough to attend.

Conferences and Progress Reports

School personnel and parents have a mutual interest in the welfare of our children. Parents should feel free to call and discuss any matter at any time. We will schedule one conference with all parents at the end of the first and third quarters. This is a 15-minute conference for both parents. We feel it is extremely important for both parents to hear the same message at the same time from the teacher. Separate conferences will not be provided.

Report cards are issued at the end of each nine weeks and emailed to the parent/guardian account indicated on JMC at the time of registration. If you do not have email, a copy of the report card will be sent home with your child. Progress reports are sent home in the middle of each quarter (approximately 4 ½ weeks into a quarter). These reports will give you information on how your child is doing half way through each quarter.

Grading

Grades for students in grades first through sixth are available online. If you need assistance with your JMC account, please call the office at 712-582-3212.

Dental Screening

Iowa law requires all incoming kindergarten and 9th grade students to have proof of a dental exam upon school entrance. A specific form needs to be completed and signed by your Dental Provider.

Diet Modifications

If your student has a special dietary need, please request a *Diet Modification Request Form* from the school nurse. Forms must be completed by a licensed, prescribing medical professional. Once completed, submit the form to your school nurse. No special diets or substitutions will be made unless the form is properly completed and approved by the Food Service Director.

Discipline

All students are expected to act appropriately. Unacceptable behavior is defined as any behavior that interrupts the classroom/school learning environment. We have implemented the behavior support system that includes a range of intervention strategies designed to prevent the problem behavior while teaching socially appropriate alternative behaviors. By implementing the behavior supports, most behaviors will be handled in the classroom. However, students can be referred to the principal's office for serious or ongoing inappropriate behavior.

Students who violate PK-6 policies for student behavior will engage in an individualized preventive and proactive learning plan supported by all staff who are supporting the child: Principals, Counselors, Classroom Teachers, and Paraprofessionals.

If a child changes school districts, the school district may transfer discipline documentation to the new school district.

Misbehaviors

Behaviors inappropriate for the classroom will be taken care of by the classroom teacher. If the student fails to comply with the teacher, the Administration Team will work with the student and teacher to resolve the situation. It is our goal to work with students to change the behaviors we deem to be inappropriate for school. The following matrices display the types of minor and major behavioral violations and range of disciplinary measures. CPI (nonviolent crisis intervention)

The PK-6 Building has a CPI trained team. Restraint will be used as a LAST RESORT. The team is focused on staff demonstrating respect, dignity and empathy to students while providing emotional and physical support keeping the student’s best interests in mind. We look to reduce or manage risk to minimize injury or harm to students and staff. Our goal is to maintain a safe, effective, harmonious, and therapeutic relationship that relies on collaboration. Parents will be notified immediately if restraint has been used.

Dropping Off and Picking Up Students

Students not participating in district busing can be dropped off at the front of the school building.

Classroom instruction begins at 8:00 a.m. Any student that arrives at 8:05 a.m or later must be dropped off at the front of the school building.

End of Day & Change of Schedule

Dismissal is a very busy time of day. With that in mind, please call the office with end of day schedule changes by 2:30 P.M. This helps eliminate miscommunications between parents and school and helps to ensure our students get where they are supposed to be at the end of the day.

Students that need to be picked up early must be picked up at the front doors of the school building.

End of the Day dismissal time is 3:00 PM. Students that are picked up at the 4-6 entrance will be dismissed after the buses depart at 3:10 PM. All students must be picked up no later than 3:10 PM.

Head Lice

From time to time students may become infested with head lice. This is a problem in every school in the Midwest. If a child is discovered to have live lice at school, the child will be allowed to stay at school. The student needs treatment the day the lice is found, prior to returning to school the next day. The nurse may make the decision to send the student home from school if the infestation is interrupting their learning process (excessive itching, very uncomfortable etc.). In this case a parent will be contacted and the student will be sent home for treatment prior to returning to school. The school nurse has guidelines prepared by the Iowa Department of Health for treating lice.

Field Trip Policy

In a typical year, each grade level takes an annual field trip that is related to their curriculum.

Health Insurance Eligibility

Parents can apply for low or no cost health insurance for their children through the state's Healthy and Well Kids in Iowa (HAWK-I) program. Children, birth-19, who meet certain criteria, are eligible. The coverage includes doctor's visits, hearing services, dental care, prescription, immunizations, physical therapy, vision care, speech therapy, and hospital services to name a few. Parents are urged to call 1-800-257-8563 (toll free) or go to the web site at www.hawk-i.org for more information.

Hearing Screenings

Hearing screenings are given to preschool through-fifth grade students. Any student with a known hearing concern, any new students, or students with a parent or teacher referral may also be screened. If you do not wish your child to participate, please contact the school.

Illness and Injury

South Page Community School District collaborates with Page County Public Health, Iowa Department of Public Health, and local healthcare providers to provide guidelines which define when a student is well enough to attend school.

**The general message to families, students, and staff is to stay home if you are not feeling well.*

If a Student Gets Sick at Home:

24 Hour Guidelines: Students should stay home until 24 hours fever free without fever-reducing medications (fever is defined as greater than or equal to 100.4 degrees), 24 hours without vomiting or diarrhea, and/or 24 hours after starting antibiotic treatment.

If a Student Gets Sick at School:

The school nurse will use professional judgment to determine if the student may be returned to class, be referred for further medical intervention, or be sent home for rest and observation.

Regardless of the nature of the illness, anyone presenting with illness symptoms that suggest communicable illness will be sent home with instructions to consult with their healthcare provider who can further assess, diagnose, and prescribe appropriate care to include when it is advisable for the child to return to school.

Kindergarten Entrance

Children enrolling in kindergarten must be at least five years of age on or before September 15th of the year in which they wish to enroll. A child wishing to enroll must present evidence of age in the form of a birth certificate or other comparable evidence before that child can enroll.

Leaving School Early

For the protection of our students, and to prevent unauthorized and unwanted persons from taking children from school prior to dismissal or at the close of school, please follow this procedure:

1. If you want your child to leave school at the end of the day other than the usual routine, either send a note with your child stating the change, or email their teacher. If emailing, it's important to also carbon copy both the administrative assistant, kpetersen@southpageschools.com **AND** the principal, cjohnson@southpageschools.com in case the teacher is absent.
2. If your child is to go home with a friend, or is to be picked up by another adult, etc., a note stating the plan should be sent to school with your child that morning or call the office.
3. If picking up your child early, please make arrangements with the office. Students who become ill during the day will be sent to a designated area. A parent or person designated on the emergency form will be notified if the child needs to go home. Please keep this information current. Any changes to the emergency form should be made by calling the school OR providing information to the administrative assistant via email.

Lunch

Parents are welcome to eat school's lunch with their child with a 24-hour notice given to the building secretary. No outside food from eating establishments will be allowed. If your child eats school's lunch, please do not send pop/soda. Students eating lunch from home may either purchase milk or bring a water bottle. Visitors must sign in at the office and wear a visitor badge.

Recess

Unless the temperature feels like 12 and lower or above 106 Degrees Fahrenheit or it is raining, recess will be held outside. Be sure your child is dressed appropriately as the season requires. Students should wear appropriate clothing for outdoor play. The children will have recess outside whenever possible and should dress accordingly (coats, mittens, boots, etc.). If a need arises, please contact the office for support of cold weather gear.

During rainy or snowy seasons, students should have boots or a change of shoes to prevent tracking mud, snow, etc. into the building. Please label winter clothing items such as coats, hats, mittens/gloves, and boots with your child's name. Teachers will honor your request for your child to be excused from outdoor play for one day after a brief illness. If it is to be extended beyond one day, the family doctor's recommendation should accompany the request.

Outdoor Play Guidelines Based on the IDPH Childwatch Chart

At Risk Students

Services are provided for elementary students as deemed necessary. Students who qualify for services are provided intensive instructional time in identified areas. If you would like more information about this support service, please contact the principal.

Standardized Tests

In the Spring, all 3rd-6th Grade students are given a standardized test called the ISASP (Iowa Statewide Assessment of Student Progress). This test is used to determine academic progress for individual students, for groups of students, and for the school district. All students are tested unless excused by their Individualized Education Plan (IEP).

Once every Fall, Winter, and Spring, the State of Iowa requires all students to take a reading and math benchmark test. We use the State's testing platform FASTbridge and i-Ready. These results are shared with parents and guardians after each testing window.

Screeners are designed to provide a rough indicator of mild, moderate, and severe risk in reading and math skills and provide a data point to ensure early intervention takes place. The tests are useful for determining "health" of the

students and identifying appropriate starting points for instruction, planning instructional groups, and identifying who needs further assessment.

Title I Services

Title I Reading services are provided for elementary students who have learning needs in literacy. Students who qualify for services are provided intensive instructional time in reading. Students may receive instruction from the Title I teacher in their regular classroom or small group.

Reading Plans:

A school district shall provide to students in kindergarten through the end of grade six who are not reading proficiently with personalized reading plans until the student is reading at grade level, as determined by the student's consistently proficient performance on valid and reliable measures of reading ability. HF2618

Math Plans:

A school district shall provide to students in kindergarten through the end of grade six who are persistently at risk in math with personalized math plans until the student is reading at grade level, as determined by the student's consistently proficient performance on valid and reliable measures of math ability. HF784

WIN (What I Need)

Elementary WIN (What I Need) intervention time is a dedicated time during the school day for personalized instruction, allowing students to receive targeted support or enrichment based on their individual learning needs. This time ensures every student has the opportunity to progress and succeed by focusing on specific academic skills and goals

District Expectations

Attendance

Regular school attendance is essential for the student to make the most of his or her education, to benefit from teacher-led activities, to build each day's learning on that of the previous day, and to grow as an individual.

Policy

The South Page CSD School Attendance Policy states that parents of students who have 5 absences during the school year will receive a letter informing them that their child is on the verge of having attendance issues. Students with at least 13.5 absences during the school year will receive a letter informing them that their child is having attendance issues and that a Parent Attendance Conference needs to be held at their earliest convenience. If the attendance issue is not corrected at 15 absences, the issue may then be referred to the County Attorney's Office for truancy. SPCSD will take COVID related issues into consideration.

Excused Absences

An excused absence is an absence that has supporting documentation such as an appointment that is considered unavoidable. An absence with a parent note is not necessarily considered an excused absence.

Student Absences

Illegal items may be given to law enforcement officials. Lockers may be searched at any time with at least two people present. Locker maintenance inspections are conducted periodically throughout the school year to ensure that lockers are kept clean and well maintained. Backpacks will stay in the student's locker during the school day. **Students MAY NOT change lockers at any time during the year unless the office grants permission.**

ELO (TAG)

Enrichment Learning Opportunities (formerly Talented and Gifted) is designed to meet the needs of advanced learners in grades K-6 in South Page Community Schools and as well create a schoolwide enrichment model that meets the needs of all students. The program will be varied, just as all students’ needs are supported through the MTSS and Advanced Learner models. Enrichment and advancement needs will be met within the classroom with collaboration between the classroom teacher, PLC teams, and ELO Coordinator. Students’ abilities and talents change over time, so we will identify advanced learners at different degrees of need and serve those students accordingly. Not all students will need the same services at the same time. A differentiated learning plan (PEP) will be developed in collaboration with the student, parents, teachers, and school staff when a student’s ability level far exceeds that of grade-level peers.

Surveys and Assessments

Periodically throughout the school year, PK-6 students and teachers students & teachers will be taking several short surveys. The data will be gathered and reviewed by teachers, school counselors and leadership teams to best understand and support academic, social and emotional needs of each student through classroom, group, and individual interventions. We are required to attain guardian permission to offer these surveys for each student which is a part of student registration in the fall. Please understand that all survey information is confidential and will not be shared outside of our school teams without your consent. All employees of SPCSD are required to follow the standards of FERPA.

Tardies and Early Release

Parent(s) and/or Guardians, please ensure that students are at school on time, and limit early release days to absolutely necessary appointments.

The board believes weapons, other dangerous objects and look-alikes in school district facilities cause material and substantial disruption to the school environment or present a threat to the health and safety of students, employees and visitors on the school district premises or property within the jurisdiction of the school district.

School district facilities are not an appropriate place for weapons, dangerous objects and look-alikes. Weapons and other dangerous objects and look-alikes will be taken from students and others who bring them onto the school district property or onto property within the jurisdiction of the school district or from students who are within the control of the school district.

Parents of students found to possess weapons, dangerous objects or look-a-likes on school property are notified of the incident. Possession or confiscation of weapons, dangerous objects or look-alikes may be reported to law enforcement officials, and students will be subject to disciplinary action including suspension or expulsion. Students bringing firearms to school or knowingly possessing firearms at school will be expelled for not less than one year. The superintendent has the authority to recommend this expulsion requirement be modified for students on a case-by-case basis. For purposes of this portion of this policy, the term "firearm" includes, but is not limited to, any weapon which is designed to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, a muffler or silencer for such a weapon, or any explosive, incendiary or poison gas, or otherwise defined by applicable law.

Weapons under the control of law enforcement officials or other individuals specifically authorized by the board are exempt from this policy. The superintendent may develop an administrative process or procedures to implement the policy.
